Scott Martin “Presentation and Discussion”

We understand that children were segregated by race and called out of their classes to split into 3 different groups:

- White
- African Americans
- “Other”

Then each group had their own presentation & discussion.

IC 20-33-1-5 Prohibits Segregation: Sec. 5. A0 A public school may not segregate, separate, or discriminate against any of its students on the basis of race, creed, or color.
