

- (a) Upon written notification from a jurisdiction that is a party to an agreement entered into under this chapter, the bureau shall take appropriate action against a licensed driver for failure to meet the conditions set out in the citation of the jurisdiction in which the traffic offense occurred.
- (b) The bureau shall notify the driver by first class mail of the request by the respective jurisdiction to have the driver's driving privileges suspended.
- (c) The driver has fifteen (15) days from the date of notice to satisfy the conditions of the citation issued by the jurisdiction or to request a hearing before a bureau hearing officer to show evidence or present information why the bureau should not suspend the driver's driving privileges for failure to meet the terms of the citation.
- (d) Upon holding the hearing, the bureau may suspend the driver's driving privileges until the conditions of the citation are met or a release from the citing jurisdiction is obtained.

Ind. Code § 9-28-2-9 (emphasis added).

- 7. Accordingly, I find that there is sufficient information on the record to substantiate the ALJ's Recommended Order as to the ultimate outcome regarding [REDACTED]'s indefinite suspension.
- 8. Therefore, per my authority under Indiana Code § 4-21.5-3-29(b), I am AFFIRMING the Recommended Order. The BMV properly suspended [REDACTED]'s driving privileges due to an out-of-state citation in the state of Illinois, which remains unresolved.

SO ORDERED.
