- (2) Expiration of the time for appealing the order had expired; or
- (3) Conclusion of any appeal related to the order.

(B) Service of Pleadings. If a party is not represented by counsel pursuant to Paragraph A above, the opposing party shall serve any pleadings directly to the party pursuant to the Indiana Rules of Trial Procedure.

(C) Courtesy Copy. If a party serves a pleading upon an attorney who no longer has a representative capacity in the case pursuant to Paragraph A, the court shall deem that service a courtesy copy only.

(D) Withdrawal of Appearance. The court will not remove an attorney from the case until a Motion with a ten (10) day letter and Proposed Order to Withdraw has been filed and approved.

(II) Contested Hearings.

(A) If an attorney requests contested hearing time of Two (2) Hours or more in a Domestic Relations case; a Juvenile Paternity case; or in a Miscellaneous Case involving Custody, Child Support, or Parenting Time issues, the Court will set an Attorneys-only

Pre-Trial Conference before setting a hearing date. The attorneys must meet with the judge or the judge's designee and hold a pre-trial conference. The attorneys shall bring their calendars and be prepared to set a hearing date.

(B) During the Pre-Trial Conference, the Court will set a Settlement Conference date and a hearing date.

(C) The attorneys and their clients are expected to attend the Settlement Conference in person and shall be prepared to discuss settlement of all or some of the issues between the parties. The attorneys must meet with the judge or the judge's designee during or at the conclusion of the Settlement Conference to discuss their progress.

(D) Continuing a Settlement Conference date may cause the Court to continue the contested hearing date on the court's motion.

(E) Contested hearing time is not to be used for settlement negotiations. The Court will expect the parties to begin promptly at the hearing time.

(F) The Court may waive the requirements in this rule for good cause shown, or in an emergency situation.

(G) The judge may implement this rule for any hearing of any length at his or her discretion.

(III) Guardian Ad Litem

(A) Appointment.

A party in a family law case may request the Court to appoint a Guardian Ad Litem ("GAL") to represent the child or children's interests. The Court may appoint the GAL, by order or after a hearing, and the GAL shall keep time records for all services rendered.

The parties may select either "Track One" or "Track Two" GAL Appointment, as set out in the next sections.

(B) "Track One" GAL Appointment.

A "Track One" GAL Appointment is the traditional, full GAL Report with interviews of the parties, children, and other individuals who may have information relevant to the GAL's investigation.

(C) "Track Two" GAL Appointment.

A "Track Two" GAL Appointment requires the GAL only to interview the parties and the child or children and to provide written recommendations to the parties. The parties would then proceed to mediation. If mediation is not successful, either party may request the GAL to provide a full report, subject to Section D below concerning fees.

(D) Fees:

(1) Track One GAL Appointments

For Track One appointments, the party requesting the GAL appointment shall pay the following fees in advance to the GAL, and the GAL shall have no obligation to commence work until the party pays the fees: \$2,000.00.

This is not the entire fee, and the party requesting the Track One GAL appointment may be required to pay additional fees to the GAL.

The party paying the fees may petition the court at any time for reimbursement or contribution from the other party toward GAL fees.

The attorney representing the party requesting the Track One GAL appointment shall meet with the client and review the Guidelines for GAL Appointments and Fee Acknowledgement found in the Delaware County Administrative Rules (DAR-0019). The attorney and party shall sign the Guidelines and Acknowledgement, and the attorney shall file it with the court along with the request for GAL.

(2) Track Two GAL Appointments

For Track Two appointments, the party requesting the GAL appointment shall pay the following fees in advance to the GAL, and the GAL shall have no obligation to commence work until the party pays the fees: \$1,500.00.

It is anticipated that the GAL will complete the work necessary to make recommendations without exceeding \$1,500.00.

The party paying the fees may petition the court at any time for reimbursement or contribution from the other party toward GAL fees.

The attorney representing the party requesting the Track Two-GAL appointment shall meet with the client and review the Guidelines for GAL Appointments and Fee Acknowledgement found in the Delaware County Administrative Rules (DAR-0019). The attorney and party shall sign the Guidelines and Acknowledgement, and the attorney shall file it with the court along with the request for GAL.

(3) Testimony in Court

The courts do not anticipate that a GAL will attend a hearing or testify at a hearing. If a party requires the GAL to attend a hearing and/or to testify at a hearing, the party shall issue a subpoena to the GAL at least Ten (10) Days prior to the hearing date. The party issuing the subpoena is responsible to pay the GAL in advance for the time anticipated to attend the hearing.

(4) Court Authority

The court retains the authority to enforce orders to pay GAL fees until the parties pay the GAL fees as ordered in full.

LR18-AR01-DLR-0008 ATTORNEY FEES IN PROBATE MATTERS

The Delaware Circuit Court has prepared the following guidelines for Probate matters regarding attorney fees and disallowed claims being set for trial in estate matters.

(I) Attorney Fees.

The Delaware Circuit Court has prepared the following guidelines for fees in probate matters in an effort to achieve the following objectives:

(A) To establish uniformity in determining a fair and reasonable fee for supervised and unsupervised estates, guardianships, wrongful death actions, and minor's claim settlements in Delaware County, Indiana.

(B) To provide a guideline to assist all judges of the Circuit Court of Delaware County in determining fair and reasonable fees.

(C) To furnish a guideline to attorneys so that attorneys can forecast to their clients the fees the estate may incur before the administration commences.

(D) To assist the legal profession in arriving at a fair and reasonable fee for estate work. The Court recognizes that every attorney and personal representative has a right and an obligation to request a fee which is fair and reasonable for the estate work performed, taking into account the provision in the Rules of Professional Conduct which applies to all attorneys admitted to practice in Indiana. Fees should always bear a reasonable relationship to the services rendered.

(E) In determining an appropriate fee, the attorney, client, and Court should consider the following criteria:

(1) The time required; the novelty, complexity, or difficulty of the legal questions involved; and the skill required to perform necessary services properly.

(2) Who served as personal representative. The Court may consider how much time the attorney devoted to legal matters and how much time the attorney devoted to ministerial functions during supervision and representation of the personal representative.

(3) The total fair market value of the probate assets being administered.

(4) The character of the probate and non-probate assets which are administered or transferred, including whether non-probate assets exist which must be included for federal or state estate tax purposes, and whether these non-probate assets require more work for the attorney.

(5) Whether the probate assets are sufficient to pay for legal services or personal representative fees.

(6) Timeliness in performing necessary estate services under statutory requirements, these rules, and the Rules of Professional Conduct.

(7) Other factors deemed relevant by the attorney, personal representative, and/or the Court.

(II) Administration of the Gross Estate.

(A) Gross Estate Services include, but will not necessarily be limited to, opening the estate and qualifying the personal representative; preparing and filing the inventory; collecting assets; paying claims; preparing and filing non-extraordinary petitions (including but not limited to petitions to sell real or personal property, petitions to deliver personal property to beneficiaries, petitions to abandon real or personal property, and petitions for appointment of appraisers);; preparing and filing the final report; obtaining an order approving the final report; distributing assets to beneficiaries; obtaining discharge of the personal representative; preparing and filing the supplemental report after distribution; and preparing and serving all necessary notices

on interested parties, including readily ascertainable creditors of the estate, during the estate proceeding.

(B) Gross Estate Value means the fair market value of all assets in the decedent's name and included in the decedent's probate estate.

(C) Maximum Fees for Administering the Gross Estate: The Court has established guidelines for attorneys and fiduciaries. See Fee Guidelines. The Guidelines are NOT a minimum fee, but a suggested maximum fee. Every attorney and personal representative has an obligation to request a fee which is fair and reasonable for the work performed, taking into account the Indiana Rules of Professional Conduct. In an uncomplicated Estate, fees should be less than the maximum fees listed in the Guidelines, and fees should always bear a reasonable relationship to the services rendered. The Fee Guidelines are found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0011.

(D) Non-Probate Assets. Non-probate assets are those assets for which the attorney representing the personal representative may assist the transferee of those assets in distribution. Non-probate assets include, but are not necessarily limited to: assets jointly owned which are transferred outside the estate administration; life insurance proceeds; annuities; retirement benefits payable to a named beneficiary other than the estate; and assets held in trust which are reportable on the federal transfer tax return or would be reportable if such return were required. Fee charges for assisting beneficiaries or transferees in transferring Non-Probate Assets shall conform to the hourly rate provision established by the Court in paragraph E below. Unless the will admitted to probate provides otherwise, fees generated by the attorney in administering Non-Probate Assets should be charged to the beneficiary or transferee, and not to the estate.

(E) Additional Fees. Fees computed pursuant to the Guidelines are intended to cover only the usual and ordinary services that are reasonably anticipated in handling the normal estate. Such fees do not contemplate all work which may become necessary in conjunction with administration, such as will contests; will construction; contested claims; family settlement agreements; death tax complications; petition for instructions; determination of heirship; generating additional income for the estate during administration; and other similar matters. The attorney shall detail the request for additional fees in a Petition to the Court for Additional Fees.

The Court will compensate attorneys for work involving extraordinary service at an hourly rate. The attorney's hourly rate should conform to the prevailing hourly rate for legal services provided in Delaware County, Indiana, at the time the attorney provided the extraordinary services. The Court reserves the right to review and adjust

the hourly rate request after considering the attorney's expertise and the nature of the extraordinary services provided.

(F) Unsupervised Estates. The attorney and personal representative should negotiate fees for handling unsupervised estates. The Court shall not hear the requests for fees unless an objection to the closing statement is timely filed. In the absence of evidence to the contrary, the fees for handling unsupervised estates should not exceed eighty percent (80%) of the Fee Guidelines.

(G) Petitions and Hearings on Fee Requests. All requests for approval of estate fees in supervised estates shall be submitted to the Court in writing, along with an appropriate proposed order. Petitions for fees shall include affidavits in support thereof from the attorney and the personal representative and provide the following information:

- (1) Details as to the work done by the affiant.
- (2) Time spent to accomplish said work.
- (3) Hourly rate used to calculate fees.
- (4) Total amount of fees being requested.

If the petition to approve fees includes a request for additional fees, the Court will schedule a hearing on the petition, unless all interested parties execute a waiver and consent stating they have been advised that the fee request exceeds the Court's Guidelines for administering the Gross Estate and that the fee request is for additional services. If a waiver and consent form is filed with the petition for additional fees, the Court, at its discretion, may waive the requirement for hearing on the petition.

(H) Instructions to Personal Representatives Required in Unsupervised Estates. Attorneys shall file "Instructions to Personal Representative of Unsupervised Estate" along with the Petition and other paperwork to open the Estate. The Court may decide not to sign the Order appointing the Personal Representative if the Attorney does not provide an executed copy of the Instructions. The Court's Instructions are found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0012.

(I) Instructions to Personal Representatives Required in Supervised Estates. Attorneys shall file the "Instructions to Personal Representative of Supervised Estate" form along with the Petition and other paperwork to open the Estate. The Court may decide not to sign the Order appointing the Personal Representative if the Attorney does not provide an executed copy of the Instructions. The Court's Instructions are found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0013.

(J) Required Acknowledgement Concerning Attorney's Fees in All Estates: Within Thirty (30) Days after the Court signs the Order Appointing Personal Representative in

an estate, the Attorney shall file an Acknowledgement by Personal Representative of Receipt of Local Rule Regarding Fees in Probate Matters. The Acknowledgement is found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0014.

(III) Wrongful Death Claim Administration.

If a wrongful death claim is settled before trial, the fee should not exceed thirty-three and one-third percent (33 1/3%) of the settlement amount.

If a wrongful death action proceeds to trial by court or by jury, the attorney fee should not exceed forty percent (40%) of the court or jury award.

If a wrongful death action is appealed after trial, the attorney fee should not exceed fifty percent (50%) of the court or jury award.

The fee guidelines for wrongful death actions does not preclude the attorney from recovering litigation expenses incurred in preparing for trial or in pre-trial discovery proceedings.

(IV) Disallowed Claims to be set for Trial.

When a claim is disallowed and is to be set for trial, the party making the claim shall open a new case in the Court where the estate is filed.

- (1) The case caption shall be creditor versus the personal representative or the estate.
- (2) If it can be filed as a small claims matter, it shall be filed with an SC cause number.
- (3) If it is above the small claims jurisdictional amount, it shall be filed with a PL cause number.
- (4) The petitioner shall pay the appropriate filing fee.
- (5) The case shall be filed in the same court as the estate is filed.
- (6) The case shall be related to the estate cause.

(V) Guardianship

(A) Fees

Attorneys should charge fees generated in guardianship proceedings at the customary and prevailing hourly rates in Delaware County for opening the guardianship; selling real or personal property; assisting the Guardian in filing the inventory and necessary accounting; and providing professional advice.

Attorneys shall submit petitions to approve attorney fees in writing in all cases, along with an appropriate proposed order. Petitions for fees for both the guardian and

the attorney for the guardian shall include affidavits in support thereof and provide the same information as outlined in Paragraph I.G. above. The Court, at its discretion, may require a hearing on the fee request of the attorney or the Guardian.

(B) Attorney's Obligation

An attorney representing a guardian shall report to the Court, any failure by the guardian to perform their fiduciary and statutory duties.

(C) Instructions Required in Guardianships over the Estate.

Attorneys shall, within Ten (10) Days after the Court signs the Order Appointing a Guardian Over the Estate of an Individual, file a copy of the following Instructions, along with the Two (2) Acknowledgements stating that the Attorney has given the Guardian a copy and has discussed the Instructions with the Guardian, and that the Guardian has reviewed the Instructions and agrees to comply with them. The Court's Instructions to Guardians are found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0015.

(D) Attorney's Undertaking and Obligation Required with Restricted Accounts.

If a Guardian is required to deposit Guardianship Assets into a restricted account, the Attorney shall file, within Ten (10) Days after the Order is entered requiring the restricted account, the Undertaking and Obligation which can be found in the Delaware Circuit Court Administrative Rules under Administrative Rule DAR-0016.

(VI) Fees for Compromising, Settling, or Trying a Minor or Incompetent Adult's Claim.

Fee requests to compromise, settle, or try a minor or incompetent adult's claim should not exceed the fee limitations imposed by the Court for representing the client in a wrongful death action; however, the attorney may request reimbursement for suit costs and pre-trial discovery in addition to those fees.

(Amended effective March 4, 2019; further Amended effective January 1, 2020; further Amended effective January 1, 2024)

LR18-AR00-DLR-0013 LOCAL RULE GOVERNING THE COLLECTION OF PERSONAL PROPERTY TAXES

The Judges of the Delaware Circuit Court hereby issue the following Local Rule in relation to collecting personal property taxes:

(A) Using the Circuit Courts to Collect Personal Property Taxes:

(1) Indiana Code Section 6-1.1-23-9:

Pursuant to Indiana Code Section 6-1.1-23-9(c), the Treasurer files the record of delinquent personal property taxes with the Clerk of the Court, and the "amount of delinquent taxes, penalties, and collection expenses stated in the record constitute a debt of the named taxpayer." The statute further provides, "This debt in all respects has the same force and effect as a judgment."

The Treasurer shall not initiate any legal action in a court in Delaware County to enforce a judgment for delinquent personal property taxes except as provided by statute, as follows: (1) in order to obtain a court order restraining the taxpayer from transacting business in the county, pursuant to Indiana Code Section 6-1.1-23-10(b); (2) to request attorney's fees pursuant to Indiana Code Section 6-1.1-23-10(e); or (3) to set aside a judgment for personal property taxes pursuant to Indiana Code Section 6-1.1-23-12.

A taxpayer may open a cause of action in the Delaware Circuit Courts to set aside a judgment for personal property taxes pursuant to Indiana Code Section 6-1.1-23-12.

(2) Clerk's Duties:

The Clerk of Delaware County shall not open for filing in the Circuit Courts in Delaware County any legal action to enforce a judgment for delinquent personal property taxes except as provided in Section A(1). If the Treasurer presents for filing in a Circuit Court a pleading related to personal property taxes, and if the Clerk is not certain whether to accept the pleading, or to open the case for filing, the Clerk shall consult with the Judge designated by the Board of Judges of the Delaware Circuit Court, who shall instruct the Clerk whether to accept the pleading or open the case for filing. If the Designated Judge is not available and action is necessary before the Designated Judge becomes available, the Clerk shall refer the issue to the Court Administrator, who will consult with a judge of the Delaware Circuit Court.

(B) Adjudicating Attorney Fees for Collecting Personal Property Taxes:

Pursuant to Indiana Code Section 6-1.1-23-1.5, the Treasurer may enter into a contract, subject to the county executive's approval, for services considered necessary to collect delinquent personal property taxes.

Pursuant to Indiana Code Section 6-1.1-23-10(e), the Treasurer must file a petition in the Designated Judge's Court for approval to pay attorney's fees for legal services not related to formal judicial proceedings. The Treasurer shall file the petition in the "Miscellaneous" Docket for the Circuit Court in which the Designated Judge is serving. The Designated Judge shall approve the attorney's fees for collecting personal property taxes before the Treasurer makes payment, in all cases not formally filed in a court.

In determining fees for collecting delinquent personal property taxes, the court will consider the contract executed by the Treasurer and the attorney pursuant to I.C. 6-1.1-23-1.5. The Court must also consider the factors established in Rule 1.5(a) of the Rules of Professional Conduct in determining the fees.

LR18-DR00-DLR-0014 DELAWARE COUNTY EVICTION & LANDLORD/TENANT RELATIONS ALTERNATIVE DISPUTE RESOLUTION FUND PLAN

Preamble:

The Delaware Circuit Courts have established the Program to foster landlord/tenant relations and to prevent evictions through alternative dispute resolution, including mediation.

The Delaware Circuit Court will use funds to provide opportunities for parties involved in eviction to mediate and settle their disagreements, when their economic circumstances would otherwise limit their access to registered mediators.

The Board of Judges adopts and incorporates by reference all provisions from the Rules for Alternative Dispute Resolution as adopted and amended from time to time by the Indiana Supreme Court.

This Local Rule shall apply to all Small Claims ("SC") and Civil Plenary ("CP") cases filed in the Delaware Circuit Courts in which a landlord is seeking to evict a tenant from a dwelling. It shall not apply to commercial real estate or mortgage foreclosures.

1. Purpose

Mediation under this section involves the confidential process by which a Mediator, appointed by the court, assists the litigants in reaching a mutually acceptable agreement. The role of the mediator is to assist in identifying the issues, reducing misunderstanding, clarifying priorities, exploring areas of compromise, and finding points of agreement as well as legitimate points of disagreement. Any agreement reached by the parties is to be based on the autonomous decisions of the parties and not the decisions of the mediator. It is anticipated that an agreement may not resolve all

of the disputed issues, but the process can reduce points of contention. Parties and their representatives are required to mediate in good faith, but are not compelled to reach an agreement.

2. Case Selection

A landlord and/or a tenant, either before or after a case is filed, may request a referral and may elect to participate in the plan through PathStone Corporation. An attorney representing a party may request a referral through PathStone Corporation. A housing non-profit may request a referral to the Plan through PathStone Corporation.

If a case is referred for mediation after it has been filed, the case shall remain on the court docket and the trial calendar.

3. Mediators

The Plan Administrator will refer cases to attorneys who are registered with the Indiana Supreme Court, Office of Admissions and Continuing Education as civil mediators and who indicate their willingness to accept cases at a reduced rate.

The Plan Administrator will refer cases to such mediators on a rotating basis, considering any conflict of interest. The Plan Administrator will keep a current list of willing registered civil mediators on an Excel spreadsheet.

4. Mediation Costs

The Program costs are being funded through grants. The grant monies should primarily benefit cases involving minor children; cases where one or more party is representing him/herself; cases involving the elderly; cases where one party owns no property with significant value and has no substantial equity in real property; cases where either party is enrolled in or uses Section 8 vouchers; and cases where one or more parties is are classified as low or moderate income.

Every participant will have their income compared to the sliding fee scale to determine if a co-payment is required and what amount. The co-payment will be paid directly to the Delaware County Auditor's Office by the litigants before mediation is scheduled, and the Auditor will apply the payment to the Eviction ADR fund. Failure to pay will result in the mediation being cancelled.

5. Report of Mediation

Within three (3) days after the mediation, the mediator shall submit to the court, without comment or recommendation, a report of mediation status. The report shall indicate that an agreement was or was not reached in whole or in part or that the mediation was extended by the parties.

If an agreement is reached, in whole or in part, it shall be reduced to writing and signed by the parties and/or their counsel.

With the consent of the parties, the mediator's report may also identify any pending motions or outstanding legal issues, discovery process, or other action by any party which, if resolved or completed, would facilitate the possibility of a settlement.

In the event of any breach or failure to perform under the agreement, upon motion, and after hearing, the court may impose sanctions, including entry of judgment on the agreement.

6. Optional Early Mediation

Persons may agree to use the Program to mediate a dispute not in litigation. They shall enter the Program as provided in Section 2. Cases submitted to the Program through Optional Early Mediation are subject to the same rules as cases filed in the Delaware Circuit Courts.
