The Notice of Completion of Clerk's Record is due at the office of the Clerk of the Supreme Court, Court of Appeals and Tax Court thirty (30) days after the filing of the Notice of Appeal. It should substantially follow Form App. R. 10-1, contained in the Sample Forms at the back of the Indiana Rules of Appellate Procedure and on the web.

When completing and filing a Notice of Completion of Clerk's Record, please keep in mind the following:

- The rules require the filing of only **one** copy of the Notice of Completion of Clerk's Record with the Clerk of the Supreme Court, Court of Appeals and Tax Court;
- The rules require attachment of a certified copy of the Chronological Case Summary to the Notice;
- Check to see if a transcript was requested in the Notice of Appeal, and be sure to ascertain the current status of the transcript if requested; and
- The **issue date** of the Notice of Completion of Clerk's Record is the date that it is sent to the Clerk's Office **and served on the parties**. The certificate of service attached to the Notice must include the **date** that the Notice is served on the parties, the **specific method of service**, and **specifically list the persons served by name**. Ind. Appellate Rule 24(D).

Accuracy in completing the Notice of Completion of Clerk's Record is **essential**. If a transcript was not requested or if the transcript is complete, the deadline for the Appellant's Brief **is set according to the date the Notice is served on the parties**. App. R. 45(B). Therefore, mistakes or inaccuracies regarding the Notice can have significant effects on the parties and the Court on Appeal.

**The timeline for the Notice of Completion of the Clerk's Record is initiated upon the filing of the Notice of Appeal with the office of the Supreme Court, Court of Appeals and Tax Court.**
