Groupings

Please provide a list of township and/or major class groupings (if any). Additionally, please provide information detailing how the townships and/or major classes are similar in market. ****Please note that groupings made for the sole purpose of combining due to a lack of sales with no similarities will not be accepted by the Department****

Improved Residential parcels in Harrison, Reeve, Barr and Veale Townships were combined together (South grouping) because of their proximity to both Washington and Vincennes employment areas. Elmore, Bogard, Steele, and Van Buren Townships were combined together (North grouping) because of they are rural and largely agricultural in nature.

AV Increases/Decreases

If applicable, please list any townships within the major property classes that either increased or decreased by more than 10% in total AV from the previous year. Additionally, please provide a reason why this occurred.
