How do I get to the application screen in Gateway?

As an authorized user of the Indiana Gateway for Government Units (“Gateway”), users will have a username and password that will allow access to the program. The username is the email address on file with the Department of Local Government Finance (“Department”). The Department will assign an initial password, which should then be changed by the owner to something unique and confidential. Users are responsible for all information entered into Gateway under the authorized user’s username and password. Users without a Gateway account may contact Support@dlgf.in.gov to register.

Web Address (URL): <https://gateway.ifionline.org/login.aspx>

To access Gateway, open [Firefox](#) or [Google Chrome](#) and type <https://gateway.ifionline.org/login.aspx> into the browser, and then hit “Enter” on a standard keyboard. Gateway works best using Firefox or Google Chrome. Internet Explorer is not a supported browser.

Form 1 Overview

This form is used to collect information on how your unit appropriates its spending for the year. The process begins with the fiscal officer estimating their desired spending for the next year. Next, they enter these amounts in the desired budget line items in the advertised column. Any previously used line items rollover from the previous year, and the official can simply enter the appropriation estimate amounts for the budget year. New line items can be added, obsolete ones can be deleted, and the report can be customized to reflect the unit’s spending. Ultimately, the adopted column should reflect the final decision of the fiscal board’s approved budget. This is then used as the starting point of spending for the unit for each appropriation. The State Board of Accounts may use this as a guideline when auditing that budget year. Once this form is completed, the figures can be pulled across other applicable forms.

Accessing Form 1

First, navigate to the Unit Main Menu by selecting your unit and then clicking “View Forms, Enter and Edit Budgets.”

Select Unit > Unit Main Menu

From the Budget Form Menu, select “Form 1: Budget Estimate” and notice the menu expands beneath Form 1. Then click on the link on the left side of the Form 1 box that says, “Click to edit form.”

The screenshot shows the Gateway for government units interface. At the top, there is a navigation bar with links for Home, About, Account Settings, User Guides, and Logout. Below this is a breadcrumb trail: [Select Unit](#) > [Unit Main Menu](#) > [Budget Form Menu](#). The selected year is 2020 and the selected unit is Gateway1 County - 9983 Dlgf City 1, Gateway1 Co. The main heading is "Select from Available Forms". There are two buttons: "Error Prevention Report" and "Budget Forms Flow Chart". A list of forms is displayed, including "Current Year Financial Worksheet: Additional Calculations for Form 4B", "Debt Worksheet", "Form 1: Budget Estimate", "Form 2: Estimate of Miscellaneous Revenues", "Form 3: Notice to Taxpayers", "Form 4: Ordinance / Resolution of Appropriations and Tax Rates", "Form 4A: Budget Report", "Form 4B: Budget Estimate, Financial Statement and Proposed Tax Rate", and "1782 Recipients: Registration of 1782 Notice E-mail Recipients". A red arrow points to the "Click to edit form" link in the "Form 1: Budget Estimate" row. At the bottom, there is a footer with contact information and a "POWERED BY Information for Indiana" logo.

Form 1 navigates through a drop-down menu that allows users to select a fund and department. Please note that school units will use the Department field in place of their Program Accounts. As shown below in the department listing, the form currently displays “No Department”. This is the default for users that are not departmentalized or that have not yet created and linked a department to the selected fund. For more information on Fund & Department Customization, please see the [Adding, Deleting, and Connecting Funds and Departments User Guide](#).

Ensuring the Proper Number of Forms are Available

The availability of Form 1's are based upon the unit customization of fund and department combinations. To ensure that the proper number and type of forms are available, please be sure that all necessary funds and departments have been added and linked appropriately to each other. For additional assistance, please see the [Adding, Deleting, and Connecting Funds and Departments User Guide](#).

Entering Data on the Form 1

For each line item, Form 1 collects five pieces of information:

- (1) Sub-Category
- (2) Line Item Code
- (3) Description
- (4) Advertised amount
- (5) Adopted amount.

The **Sub-Category** field simply breaks down the selected category into additional pre-defined subcategories. The categories are Personal Services, Supplies, Services and Charges, Capital Outlays, Township Assistance (Townships only), Debt Service, and Property Tax Cap (for all non-debt service funds).

The **Line Item Code** field collects the local code. This may be the State Board of Accounts codes for expenses or a user's own local tracking codes. Entry of a code in this field is optional; therefore, some Units do not use Line Item Codes. The field is included to assist in tracking expenses back to local recordkeeping.

The **Description** field is mandatory. This is the local description. It does not need to tie back to any prescribed code lists.

For each line item, Form 1 collects two values: the advertised amount and the adopted amount. The **Advertised Amount** is the amount that is proposed at the beginning of the budget process by the Fiscal Officer and is advertised on Form 3 on Gateway. The **Adopted Amount** is the amount that is approved by the Fiscal Body and adopted by ordinance or resolution on Form 4.

Expenditure Code List

Please reference the State Board of Accounts' expenditure code list when adding in new expenditures. The current expenditure code list can be found at [SBOA Disbursement Codes](#).

Adding a New Line Item

To add a new line item:

1. Select the appropriate category from the blue tabs at the top of the form.
2. Next, select the appropriate Sub-Category from the drop-down menu.
3. Type in a Line Item Code.
4. Then type in a Description of the expense.
5. Enter in the amounts for the Advertised column.
6. After data entry is complete, save by selecting the “+ADD” button on the left-hand side.

The screenshot shows the 'Services And Charges' category selected. The form fields are as follows:

Sub-Category	Line Item Code	Description	Advertised Amount	Adopted Amount	Add
Communication And Transportation	0101-002	Rental Vehicles	\$ 500	\$	+ ADD

Editing Line Items

In most cases, Form 1 contains some pre-existing line items that have rolled over from the previous year. In the event that a line item code or description needs to be edited, click in the field that you wish to edit and make the desired changes. After edits are complete, click the “Save” button on the bottom right-hand side of the page.

The screenshot shows a table of existing line items. A red arrow points to the 'Line Item Code' field of the first row, and another red arrow points to the 'SAVE' button at the bottom right.

Property Tax Cap

For Pay 2020, a new category was introduced titled Property Tax Cap. This category will appear as an option for all non-debt service funds and allows for the unit to account for Circuit Breakers. If a unit is departmentalized, this will appear as a new department as code 0082. The line items that were generated for Pay 2020 will remain. Each unit may complete this line item with either the Department provided estimates or their own estimates.

While the amounts entered into these line items will increase the totals at the bottom of the Form 1s, please remember that this form will be your Gross budget when property tax cap credit amounts are entered. The amounts entered into this line item will not change your advertised, adopted, or certified budget amounts. Those will be your Net budget, or all expenditures minus the property tax cap credits.

Please contact your Budget Field Representative with any questions.

If you are not departmentalized, your screen will be populated with the line item necessary, and still, display “0000 NO DEPARTMENT”. Once you have selected the “Property Tax Cap” category, simply enter your Property Tax Cap amount, and click “SAVE”.

Deleting a Line Item

To delete an existing line item, select the red “X” on the far right of the page. This will delete a single line item. If an error is made on the sub-category field, delete the line item, and enter it below. **After** data entry is complete, save by selecting the “+ADD” button on the right-hand side.

Sub-Category	Line Item Code	Description	Advertised Amount	Adopted Amount	Add/Delete

Copying Advertised Amounts to Adopted

If the budget looks like it will be adopted without any changes, amounts from the advertised column may be easily copied to the adopted amount column for the selected fund just by clicking the blue button in the top right corner “Copy all Advertised Amounts for All Funds” button. This will copy amounts for all funds. You may also want to move everything over to the adopted column as a starting point for the adopted amounts.

Note: Once your Form 3 has been submitted, the advertised amounts are not to be changed. Any changes are to be in the adopted column only.

Select Fund:

Salaries and Wages		Salary of Clerk	\$ 1,400	\$	✗
Salaries and Wages		Pay of Township Boar	\$ 2,000	\$	✗
Employee Benefits		Social Security	\$ 500	\$	✗

You will want to navigate to each combination of categories, funds, and departments to complete the adopted amounts for all line items.

If the adopted amounts have changed from the advertised amounts, simply type in the adopted amounts, and click “Save” at the bottom of the form. As long as the fund total does not exceed the advertised fund total amount, you may move amounts between line items.

I hereby acknowledge that the submission of this document through the Gateway password and PIN system constitutes an "electronic signature" as defined in IC 5-24-2-2. This submission is intended to, and hereby does, constitute authentication and approval of the submitted document as required by the Indiana Code. I understand that this electronic signature takes the place of my handwritten signature and accomplishes the same purposes as would my handwritten signature in the same circumstance. I further acknowledge that this electronic signature has the same force and effect as my handwritten signature and can and will be used for all lawful purposes. I affirm that I have the real and apparent authority to electronically sign and submit this document on behalf of the unit.

To sign the form, first, type your name and title into the signature box. After that, you will need to enter a four-digit PIN code. This PIN code has been sent to the person with submission rights via email. You may contact the Department at Support@dlgf.in.gov or at (317) 234-4480 if you have lost or not received a PIN code.

Marking the Form “Ready to Submit”

At the bottom of Form 1 and all other forms, there are “Ready to Submit” status boxes. Before the form is entirely complete, there will be a grey box titled “Not Ready to Submit.”

The budget forms have a feature built-in feature called validation. This does not allow the form to be marked as Ready to Submit or be submitted until the required fields are completed. Validation will help prevent some commonly found errors in previous years. Upon closer review, you will notice that the box states,

*“You will be able to mark this form as ‘Ready to Submit’ once amounts have been entered in both ‘Advertised’ and ‘Adopted’ columns and the form has been **signed** with a valid four-digit PIN.”*

Not Ready To Submit

You will be able to mark this form as 'Ready to Submit' once amounts have been entered in both 'Published' and 'Adopted' columns and the form has been signed with a valid four-digit PIN.

Once the information has been entered in the advertised and adopted columns, and the form has been appropriately signed with a PIN, the yellow “Ready to Submit” option will appear. This gives users the ability to mark the form as ready to submit by clicking on the check box. Do not check this box until all the line items, advertised, and adopted amounts are entered.

Ready to Submit

This Form will still be editable after checking this box. The 'Ready to Submit' option allows a form to be set visibly complete throughout the application and to be officially submitted to DLGF from the Budget Form Menu. Only Submitting the form to DLGF from the Budget Form Menu will turn off the editing function of the form.

Once this box is checked, the section will turn green and the form will now be marked as “Ready to Submit.” Form 1 will still be editable until it is submitted.

Ready to Submit

This Form will still be editable after checking this box. The 'Ready to Submit' option allows a form to be set visibly complete throughout the application and to be officially submitted to DLGF from the Budget Form Menu. Only Submitting the form to DLGF from the Budget Form Menu will turn off the editing function of the form.

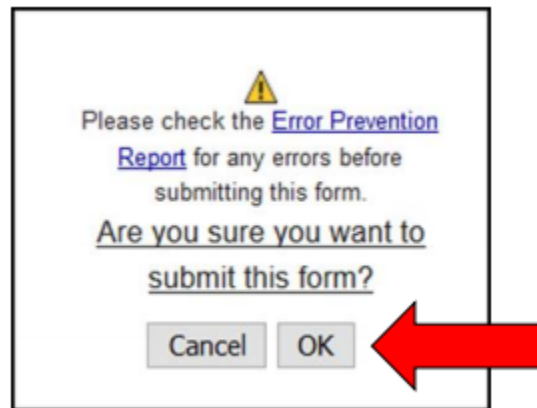

Note that after Form 1 has been marked as “Ready to Submit.” Under the Budget Form Menu Form, 1 now shows a green submit option for officials with submission rights.
