Area Information:

Tri-County Fish & Wildlife Area (FWA), located just south of Syracuse, Indiana, provides quality outdoor recreational opportunities while maintaining 3,546 acres of land with 650 acres of lakes and impoundments. This area is composed of flat to rolling upland fields and gradual to steep slopes of oak-hickory woodlands, falling off to depressions of wetlands. Tri-County includes 10 natural lakes with water depths up to 75 feet. Each year, hunters successfully harvest several species including deer, turkey, and waterfowl.

The spring turkey season at Tri-County FWA is by draw only. A maximum of eight hunters per day will be selected to hunt the property. If drawn hunters may hunt anywhere on Tri-County's main property with exception of safety zones and other no hunting areas listed on the property map.

If you are successful in drawing for a hunt at Tri-County FWA, you must check in at the property office (8432 N 850 E Syracuse, IN 46567) before 5:30 a.m. ET (4:30 a.m. CT) on each day of your hunt. If you do not claim your reservation each day by the time indicated above, your spot will be given to another hunter or forfeited entirely.

If you are not successful in drawing to hunt at Tri-County FWA, you may still attend the daily standby drawing held in the office at 5:30 a.m. ET (4:30 a.m. CT) as any reservations left unfilled or forfeited will be drawn in-person and given to standby-draw participants.
