

DNR Early Coordination Recommendations Certification of Compliance

I. The _____ (Applicant) certifies, by submission of this form, that It and its future contractors will comply with the Recommendations laid out in the DNR Early Coordination/Environmental Review Report _____ (Report Number) generated for _____ (Project Name).

II. If the Applicant is unable to comply with any of the Recommendations for whatever reason, they understand that additional environmental coordination and clearances must be obtained. Environmental Compliance plans must be approved by the Grant Coordinator, and copies of findings supplied for NPS review. Construction may not begin until environmental clearance is obtained and all necessary permits are acquired.
