

Reportable Condition Reporting Guidance

Indiana
Department
of
Health

Infectious Disease
Epidemiology &
Prevention Division

Condition Name:
Leptospirosis

Condition Name in NBS:
Leptospirosis

Reporting Timeframe:
Within One Working Day

TO REPORT:

- NBS users: Report conditions via Morbidity Report in **NBS**
- Non-NBS users: Report with **this** form

Associated Reportable Laboratory Results

- *Leptospira* organisms from a clinical specimen
- *Leptospira* agglutination titer by MAT in serum specimen
- Detection of *Leptospira* DNA, IgM, or demonstration of *Leptospira* or *Leptospira* antibodies in a clinical specimen

Condition Specific Reporting Details

- Clinical, Epidemiologic, Lab Report, and Treatment information sections within the NBS Morbidity Report

Additional Documentation to Include

- Applicable lab results (culture, IgM, MAT, PCR, or other supporting labs)
- Applicable patient medical records (if available)
- Any noted exposure history, including animal and water exposures and travel
