Test Reporting Refresher – Dr. Vuppalanchi

- IDOH has noticed facilities are still continuing to miss reporting test results. Reminder to report test results as per [LTC Facility Data Submission guidelines 10.19.20.pdf](#).
- Some facilities asked for information on the extension of BinaxNOW™ COVID-19 Ag Card expiration date. You can find Abbott's previous letter at [BinaxNOW Extension Update 5/7/2021](#).
- Please note the QuickVue test ordering information [here](#).

IP Toolkit – Revised 12/14/2021

- The [IP Toolkit](#) has been revised to include a new tool for use for contact tracing – Outbreak Testing for COVID-19 Contact Tracing Process (12/10/21). In addition, the Travel Guidance (12/10/21) has been revised.
