Get schooled in green living! Teachers, parents, and students - consider how you can reduce your waste 📌

- 🌱 Pack a waste-free lunch (reusable baggies, utensils)
- ♻️ Reuse supplies when possible
- 🚌 Use public transit
- 🌍 Get involved

#FallBucketList

- 🎃 Carve pumpkins
- 🍏 Visit a local orchard
- 👻 Watch scary movies
- 🔥 Follow your county's open burning laws

👉 Burning trash is illegal (& toxic!). #BurnWisely Check your local ordinance before setting up your bonfire 🍁 <https://on.in.gov/openburn>

Cooler temperatures can lower tire pressure, and under-inflated tires reduce your car's fuel efficiency. 🍂

Getting regular tune-ups, using the right fuel, and checking your tire pressure are just a few ways to reduce your carbon emissions. 🚗

Instead of blowing leaves into your neighbor's yard (rude) or into the road (where they can clog drains), get the most out of your leaf pile! 🍂

#Composting or mulching your lawn with fallen leaves can improve your soil's health. It might be more work, but we BELEAF in you! 😊

In case you missed it, we're BIG fans of the planet 🌍 and when it comes to green tailgating - you can go BIG, or you can go home 🏠

Shop local for party treats

Ditch disposable dishes & decor

Provide recycling or compost bins

Waste: 0, You: 1 🎉
