

**ALIASSES:** The Steel Guy Kid. **PROFILE:** Steel Can Guy is a tough character. Steel cans, like soup, fruit and vegetable cans, can be recycled over and over again into new steel products. All new steel contains recycled steel. In fact, when you buy steel products, you're buying recycled.

**STEEL CAN GUY**

**ALIASSES:** The Kidwatt Kid, Sunny. **PROFILE:** E2 is always out to save a buck (and natural resources) by conserving energy. Turn off the lights, computer, TV and radio when leaving a room. Use energy-efficient bulbs. Use the sun's light, too—sit by a window to read.

**E2**

**ALIASSES:** Leaf Brown. **PROFILE:** Compost Guy and his Scrap Food Gang are the most trouble when placed in a garbage can or bag. If placed in a compost bin at home, over time they make a rich addition to soil for gardens and flower beds.

**COMPOST GUY**

**WANTED FOR RECYCLING**

**WANTED FOR RECYCLING**

Steel Can Guy is considered harmless, unless he is litter. If located, please pick up and deposit in the nearest recycling bin. E2 wants to live at your house and help you find ways to reduce your energy use. Compost Guy wants to stay out of trash bags and stay in your backyard to help make your flower beds and gardens more beautiful. For more information, please contact your local solid waste management district or the Indiana Department of Environmental Management at **1-800-988-7901** or visit [www.recycle.IN.gov](http://www.recycle.IN.gov).

**INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

**REWARDS FOR RECYCLING**

- Save natural resources, energy and landfill space.
- Support your local recycling program.
- Protect Indiana's environment.

The Recycle Guys appear courtesy of the S.C. Department of Health and Environmental Control's Office of Solid Waste Reduction and Recycling. Printed on 50% recycled paper.
