Dear Commissioner:

Pursuant to the authority vested in Appointment Number 3744, an examination has been made of the affairs and financial condition of:

Munster, Indiana 46321

an Indiana domestic, stock, property and casualty insurance company hereinafter referred to as the "Company." The examination was conducted at the corporate offices of the Company at 3 Bala Plaza, Suite 300E, Bala Cynwyd, PA 19004.

The Report of Examination, showing the status of the Company as of December 31, 2012, is hereby respectfully submitted.

SCOPE OF EXAMINATION

The Company was last examined by representatives of the Indiana Department of Insurance ("INDOI" or "Department") as of the period ending December 31, 2007. The present multi-state risk-focused examination was conducted by The Thomas Consulting Group, Inc. (Thomas Consulting) and covered the period from January 1, 2008 through December 31, 2012, and included any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination. This examination was coordinated with the examination of the insurer subsidiaries of Global Indemnity, plc (GBLI) which was conducted by the Pennsylvania Insurance Department (Lead State), the Virginia Bureau of Insurance, and the Wisconsin Department of Insurance.

The actuarial firm of Merlinos & Associates, Inc. was engaged by the Lead State, through Thomas Consulting, to conduct a review of the Company's Loss Reserves and Loss Adjustment Expenses as of December 31, 2012.

In conducting the risk-focused examination, the INDOI, by its representatives, relied upon the independent audit reports and opinions contained therein rendered by PricewaterhouseCoopers, LLP for each year of the examination period. Such reports were prepared on a statutory basis and reconciled to the financial statements contained in the respective Annual Statements.

In accordance with the NAIC *Financial Condition Examiners Handbook*, Thomas Consulting planned and performed the risk-focused examination to evaluate the financial condition of the Company and to identify prospective risks related to its operations. The examination process included an evaluation of corporate governance, identification and assessment of inherent risks, and documentation of system controls and procedures used to mitigate the identified risks. In addition, the examiners performed an assessment of the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The examination also included a review or the Company's compliance with Statutory Accounting Principles, Annual Statement Instructions, and the Indiana Insurance Code.

There were no comments or recommendations made in the previous INDOI report of examination.
