Honorable Stephen W. Robertson, Commissioner Indiana Department of Insurance Secretary, Midwestern Zone 311 West Washington Street, Suite 300 Indianapolis, Indiana 46204-2787

Dear Superintendent and Commissioner:

Pursuant to the authority vested in Appointment Number 3675, an examination has been made of the affairs and financial condition of:

USA Life One Insurance Company of Indiana 7735 Loma Court Fishers, IN 46038

hereinafter referred to as "the Company", an Indiana domestic, mutual insurance company. The examination was conducted at the offices of Noble Consulting Services, Inc. in Indianapolis, Indiana.

The Report of Examination, reflecting the status of the Company as of December 31, 2010, is hereby respectfully submitted.

SCOPE OF EXAMINATION

The Company was last examined by representatives of the Indiana Department of Insurance (IDOI) as of the period ending December 31, 2005. The present risk-focused examination covered the period from January 1, 2006 through December 31, 2010 and was conducted by Noble Consulting Services, Inc., on behalf of the State of Indiana.

Jeffrey A. Beckley, FSA, MAAA, of Actuarial Options LLC, was appointed by the IDOI and conducted a review of the Company's statutory reserves as of December 31, 2010. There were no actuarial adjustments resulting from the review performed.

We conducted our examination pursuant to and in accordance with the NAIC Financial Condition Examiners Handbook (Handbook). The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company, including corporate governance, identifying and assessing inherent risks within the Company, and evaluating system controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management's compliance with Statutory Accounting Principles, and annual statement instructions when applicable to domestic state regulations.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process.

HISTORY

The Company was incorporated as a fraternal benefit society on January 8, 1894, under Indiana laws as the Supreme Tribe of Ben Hur. It reincorporated on February 20, 1900, and on June 26, 1930, changed its name to Ben Hur Life Association. Effective June 30, 1989, the Company converted to a mutual legal reserve life insurance company and the name was changed to USA Life Insurance Company of Indiana. On June 15, 1990, in order to avoid objections raised by an insurer with a similar name, the Company adopted its current name. The Company has a non insurance subsidiary, Life 1 Financial Corp. (formerly Ben Hur Company, Inc.).

CAPITAL AND SURPLUS

The Company is a mutual insurance company and as such is owned by its policyholders. During each year of the examination, the Company paid a financially insignificant amount in dividends to policyholders.

TERRITORY AND PLAN OF OPERATION

The Company is licensed in twelve states: Arkansas, California, Illinois, Indiana, Iowa, Kentucky, Michigan, Missouri, North Carolina, Ohio, Pennsylvania, and Tennessee.

The Company is authorized to write life, annuity, and accident and health coverages. Renewal premiums in Indiana, Kentucky, Ohio and Illinois accounted for approximately 91% of premium in 2010. Currently, the Company is not producing a material amount of new business.

GROWTH OF THE COMPANY

The following exhibit summarizes the financial results of the Company during the examination period:

		Admitted		S	urplus and]	Premiums		
Year		Assets	Liabilities	C	Other Funds		Earned	No	et Income
 2010	\$	36,045,336	\$ 20,660,039	\$	15,385,295	\$	1,123,338	\$	246,639
2009	,	35,915,596	19,540,789		16,374,809		1,011,131		(12,421)
2008		36,546,828	19,781,587		16,765,242		1,142,111		50,246
2007	-	37,855,234	20,835,316		17,019,918		1,342,380		415,604
2006		37,963,833	21,493,390		16,470,441		1,357,495		726,057

The Company's assets have stayed fairly consistent throughout the examination period. Bonds, cash, and short term investments accounted for 95 - 96% of the total assets for all years under examination.

The increase in liabilities and resulting decrease in surplus from 2009 to 2010, was driven by additional reserves established as a result of asset adequacy analysis.

The net loss reported in 2009 was the result of realized capital losses. In 2010, the Company reported capital gains that contributed to positive net income.

COMMENTS ON THE FINANCIAL STATEMENTS

There were no recommended adjustments to surplus as of December 31, 2010, based on the results of this examination.

OTHER SIGNIFICANT ISSUES

The Company holds Universal Life reserves at account value and does not calculate the reserves in accordance with the Universal Life Model Regulation methodology. Many of the Universal Life contracts provide an interest rate that exceeds the maximum valuation interest rate, which results in reserves that exceed account value. Therefore, holding the reserves at account value is not an acceptable method. It is recommended that the Company file an annual actuarial report and opinion which documents the calculation of Universal Life reserves in accordance with the Universal Life Model Regulation methodology.

Based on the performance of asset adequacy analysis for 2009 and 2010, it was determined that additional reserves were required. The deficiency for 2009 was \$500,000 and for 2010 it was \$1,124,000. The Company accounted for these additional reserves as a change in valuation basis as described in SSAP 51, paragraph 32 and accordingly charged these amounts directly to surplus. Based on the review performed during the examination it was determined that these additional reserves should have been accounted for as a change in accounting estimate in accordance with SSAP 51, paragraph 31. These amounts should have been a component of income for 2009 and 2010 and accordingly an adjustment is shown in the Summary of Operations page of this report reflecting this change. There is no effect on surplus due to the change in accounting treatment as a result of this examination.
