Would you like to receive INDOT updates from the Crawfordsville District? Circle one.

Yes | Email Updates Yes | Text Updates Yes | Both No | Neither

What is your interest in the Brouilletts Creek Bridge Project? Circle all that apply.

Live in the area Work in the area Drive through the area General interest in the project

How often do you cross the Brouilletts Creek Bridge? Circle one.

Daily 2-3 times/week Weekly A few times/month Rarely

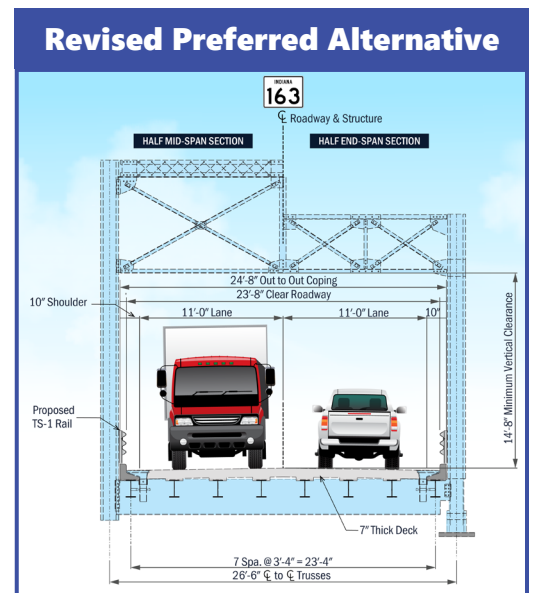

The initial preferred alternative reduced the Brouilletts Creek bridge to one travel lane with bidirectional travel maintained by traffic signals. The revised preferred alternative will maintain two lanes of traffic with no signals added.

Does the revised preferred alternative address any concerns you had with the initial preferred alternative that reduced the bridge to one lane of traffic?

Yes No Not Sure

Do you support two lanes of traffic being maintained on the Brouilletts Creek bridge?

Yes No Not Sure

Please share any additional comments regarding the project and the revised preferred alternative.
