Mr. Joe Gustin  
Division of Planning  
Indiana Department of Transportation  
100 N. Senate Ave., IGCN 808  
Indianapolis, IN 46204

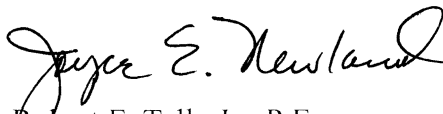

Dear Mr. Gustin:

The FHWA, Indiana Division has completed its review of Amendment #10-STIM-20 to the FY 2010-2013 Indiana Statewide Transportation Improvement Program (STIP) as transmitted by INDOT's letter dated via e-mail January 22, 2010. FHWA finds these projects acceptable for American Recovery and Reinvestment Act funding. These projects are approved for inclusion into the INSTIP.

The Division also acknowledges and accepts the inclusion of the STIM amendments 16 thru 19 that were processed and approved between the time the draft 2010-2013 STIP was prepared and our approval of the new STIP. These amendments already have met the federal requirements for public involvement, air quality conformity and fiscal constraint. We therefore accept these as administrative modifications to the new 2010-2013 STIP.

If you have any questions, please call Joyce Newland, Planning & Environmental Specialist, at (317) 226-5353 or e-mail at [joyce.newland@fhwa.dot.gov](mailto:joyce.newland@fhwa.dot.gov).

Sincerely yours,

  
Robert E. Tally Jr., P.E.  
Division Administrator
