

APPENDIX I

MPO APPROVAL LETTERS

Transportation Improvement Program (TIP) Approval Letters for the MPO that have approved 2022-2026 TIPs.

INDIANA DEPARTMENT OF TRANSPORTATION

100 North Senate Avenue
Room N758-Executive Office
Indianapolis, Indiana 46204

PHONE: (855) 463-6848

Eric Holcomb, Governor
Michael Smith, Commissioner

April 26, 2022

Mr. Patrick Martin, Senior Transportation Planner
Bloomington-Monroe County Metropolitan Planning Organization
401 North Morton Street, Suite 130
Bloomington, IN 47402

Transportation Improvement Program (TIP) Approval

Dear Mr. Martin:

The Indiana Department of Transportation (INDOT) has completed its review of the FY 2022-2026, Version as of 3-11-22 Transportation Improvement Program for the Bloomington-Monroe County Metropolitan Planning Organization (BMCMPPO). State and locally initiated transportation projects were reviewed for accuracy and compliance under the Fixing America's Surface Transportation (FAST Act) and The Infrastructure Investment and Jobs Act (IIJA), Public Law 117-58.

It is my pleasure to inform you that on behalf of Governor Eric Holcomb, I approve your FY 2022-2026, Version as of 3-11-22 Transportation Improvement Program. This document will serve as support for the local and INDOT projects in your area that fall within the FY 2022-2026 timeline and will be included directly into the FY 2022-2026 Indiana Statewide Improvement Program (STIP). However, projects not shown by reference will be amended into the STIP upon request.

If you should have any questions, please feel free to contact Roy Nunnally at 317-234-1692.

Sincerely,

A handwritten signature in black ink that reads "Michael Smith". The signature is fluid and cursive.

Ms. Laura Thayer, AICP, Director
Columbus Area Metropolitan Planning Organization
123 Washington Street
Columbus, IN 47201

Transportation Improvement Program (TIP) Approval

Dear Ms. Thayer:

The Indiana Department of Transportation (INDOT) has completed its review of the FY 2022 – 2026, Version as of 3-22-22 Transportation Improvement Program for the Columbus Area Metropolitan Planning Organization. State and locally initiated transportation projects were reviewed for accuracy and compliance under the Fixing America's Surface Transportation (FAST Act) and The Infrastructure Investment and Jobs Act (IIJA), Public Law 117-58.

It is my pleasure to inform you that on behalf of Governor Eric Holcomb, I reaffirm the approval of your FY 2022-2026, Version as of 3-22-22 Transportation Improvement Program. This document will serve as support for the local and INDOT projects in your area that fall within the FY 2022-2025 timeline and will be included directly into the FY 2022-2026 Indiana Statewide Improvement Program (STIP). However, projects not shown by reference will be amended into the STIP upon request.

If you should have any questions, please feel free to contact Roy Nunnally at 317-234-1692.

Sincerely,

A handwritten signature in black ink that reads 'Michael Smith'.

June 17, 2021

Roy Nunnally, Director
Asset Management Division
Indiana Department of Transportation
100 N Senate Ave. N925
Indianapolis, IN 46204

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Delaware-Muncie Metropolitan Plan Commission (DMMPC) planning documents. The DMMPC Metropolitan Planning Area is within the Muncie air quality conformity area and is comprised of Delaware County. The need for this new conformity finding stems from an update to the DMMPC Transportation Improvement Plan (TIP) (2022-2025).

Delaware County is designated as Maintenance for the 1997 Ozone Standard until January 3, 2026.

Appropriate consultation and public involvement on the TIP update were completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and have determined that air quality conformity requirements have been met.

This conformity finding supersedes all previous conformity findings for this MPO. Therefore, FHWA and FTA affirms the following planning documents conform to air quality conformity rule requirements:

DMMPC MPO 2045 Metropolitan Transportation Plan (original)
DMMPC MPO 2022-2025 TIP (original)

If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 or robert.dirks@dot.gov; or Angelica Salgado, FTA at 312-886-1621 or angelica.salgado@dot.gov.

September 20, 2021

Roy Nunnally, Director
Asset Management Division
Indiana Department of Transportation
100 N Senate Ave. N925
Indianapolis, IN 46204

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Indianapolis Metropolitan Planning Organization's (IMPO) planning documents. The Indianapolis Metropolitan Planning Area is within the 9-county Indianapolis air quality conformity area and is comprised of Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties. The need for this new conformity finding stems from an amendment to the IMPO Metropolitan Transportation Plan (MTP) (Amendment 8) and an update to the IMPO Transportation Improvement Program (TIP) (2022-2025).

Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties are designated as Maintenance for the 1997 Ozone Standard until October 19, 2027.

Appropriate consultation and public involvement on the MTP amendment and TIP update were completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and have determined that air quality conformity requirements have been met.

This conformity finding supersedes all previous conformity findings for this MPO. Therefore, FHWA and FTA affirms the following planning documents conform to air quality conformity rule requirements:

Indianapolis MPO 2045 Metropolitan Transportation Plan (including Amendment #8)
Indianapolis MPO 2020-2023 TIP (including 2nd Quarter 2021 Amendment)
Indianapolis MPO 2022-2025 TIP (original)

Please note that the 2022-2025 TIP is not incorporated into INDOT's current Statewide Transportation Improvement Program (STIP), therefore, the 2020-2023 TIP is the only TIP officially recognized by FHWA and FTA.

If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 or robert.dirks@dot.gov; or Cecilia Crenshaw-Godfrey, FTA, at 312-705-1268 or cecilia.crenshaw@dot.gov.

Todd Jeter
Division Administrator
Federal Highway Administration
Kentucky Division
330 W. Broadway
Frankfort, KY 40601

Dear Mr. Jeter:

The Federal Highway Administration (FHWA) Indiana Division has completed our review of the Kentuckiana Regional Planning & Development Agency (KIPDA) Air Quality Conformity Analysis for:

- Amendment 4 to the Connecting Kentuckiana 2040 Metropolitan Transportation Plan (MTP)
- Amendment 4 to the FY 2020 – FY 2025 Transportation Improvement Program (TIP)

We have consulted with the Indiana representatives of the Interagency Consultation Group and reviewed the conformity documentation related to the 2015 eight-hour ozone standards. Region 5 EPA and Indiana Department of Environmental Management have completed their review and recommend approval of the USDOT conformity finding. Therefore, the Indiana Division recommends that FHWA-KY and R-4 FTA issue the USDOT conformity finding that the analysis demonstrates conformity for the eight-hour ozone standards as required by the conformity rule.

Should you or your staff have any questions please contact Erica Tait, FHWA Indiana Division at (317) 226-7481 or Erica.Tait@dot.gov.

Sincerely,

Erica Tait

Indianapolis, IN 46204

Dear Mr. Nunnally:

The Michiana Area Council of Governments (MACOG) has developed the FY 2022-2026 Transportation Improvement Program (TIP). The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding on the MACOG FY 2022-2026 TIP.

The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and recommend that we find the FY 2022-2026 Transportation Improvement Program (TIP) conforms to applicable air quality conformity requirements. Appropriate consultation and public involvement on the conformity analyses was completed.

Therefore, FHWA and FTA find the MACOG's FY2022-2026 TIP conforms to air quality conformity rule requirements. If you have any questions, please feel free to contact Erica Tait, FHWA, at 317-226-7481/erica.tait@dot.gov or Cecilia Godfrey, FTA, at 312-705-1268/cecilia.crenshaw@dot.gov.

Roy Nunnally, Director
Asset Management Division
Indiana Department of Transportation
100 N Senate Ave. N925
Indianapolis, IN 46204

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Madison County Council of Governments (MCCOG) planning documents. The MCCOG Metropolitan Planning Area (MPA) is within the 9-county Indianapolis air quality conformity area and is comprised of Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties. The MPA is also in the Muncie air quality conformity area and is comprised of Delaware County. The need for this new conformity finding stems from an update to the MCCOG Transportation Improvement Plan (TIP) (2022-2026).

Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties are designated as Maintenance for the 1997 Ozone Standard until October 19, 2027. Delaware County is designated as Maintenance for the 1997 Ozone Standard until January 3, 2026.

Appropriate consultation and public involvement on the TIP update were completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and have determined that air quality conformity requirements have been met.

This conformity finding supersedes all previous conformity findings for this MPO. Therefore, FHWA and FTA affirms the following planning documents conform to air quality conformity rule requirements:

MCCOG MPO 2045 Metropolitan Transportation Plan (original)
MCCOG MPO 2022-2026 TIP (original)

If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 or robert.dirks@dot.gov; or Cecilia C. Godfrey, FTA, at 312-705-1268 or cecilia.crenshaw@dot.gov.

Dear Mr. Nunnally:

The Northeastern Indiana Regional Coordinating Council (NIRCC) has developed the FY 2022-2026 Transportation Improvement Program (TIP). The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding on the NIRCC FY 2022-2026 TIP.

The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and recommend that we find the FY 2022-2026 Transportation Improvement Program (TIP) conforms to applicable air quality conformity requirements. Appropriate consultation and public involvement on the conformity analyses was completed.

Therefore, FHWA and FTA find the NIRCC's FY2022-2026 TIP conforms to air quality conformity rule requirements. If you have any questions, please feel free to contact Erica Tait, FHWA, at 317-226-7481/erica.tait@dot.gov or Cecilia Godfrey, FTA, at 312-705-1268/cecilia.crenshaw@dot.gov.

Indianapolis, IN 46204

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Northwestern Indiana conformity area comprising of Lake, Porter and LaPorte Counties. The need for this new conformity finding stems from an update to the Northwestern Indiana Regional Planning Commission (NIRPC) Transportation Improvement Program (TIP) (2022-2026) and an amendment to the Metropolitan Transportation Plan (MTP) (Amendment #2).

Lake and Porter Counties are designated as Nonattainment for 2008 Ozone. Additionally, LaPorte County is designated as Maintenance for 1997 Ozone until July 19, 2027.

Appropriate consultation and public involvement on the TIP update and MTP amendment was completed. The US Environmental Protection Agency, the Indiana Department of Environmental Management, and the Indiana Department of Transportation completed their reviews and recommend that the USDOT finds the updated TIP and amended MTP conform to the applicable air quality conformity requirements.

This conformity finding supersedes all previous conformity findings for this MPO. Therefore, FHWA and FTA affirms the following planning documents conform to air quality conformity rule requirements:

NIRPC 2050 MTP (including Amendment #2)
NIRPC 2022-2026 TIP (original)

If you have any questions, please contact Robert Dirks, FHWA, at 317-226-7492 or robert.dirks@dot.gov; or Cecilia Crenshaw, FTA, at 312-353-3853 or cecilia.crenshaw@dot.gov.

Jack Marchbanks, Ph.D., Director
Ohio Department of Transportation
1980 West Broad St.
Columbus, OH 43223

Dear Director Marchbanks:

This is in response to your request dated January 14, 2022 regarding a USDOT conformity determination for the Cincinnati, Ohio air quality area. We have completed our review of the Ohio-Kentucky-Indiana Regional Council of Governments (OKI) conformity determination for Amendment 10 to the OKI 2021-2024 Transportation Improvement Program (TIP) and Amendment 2 to the 2050 Metropolitan Transportation Plan (Plan) for the Cincinnati, OH-IN-KY metropolitan area, adopted on January 13, 2022.

Based on our review, in consultation with the United States Environmental Protection Agency (EPA), we find that the OKI TIP conforms to the applicable state implementation plan in accordance with the provisions of the EPA's Transportation Conformity Rule (40 CFR Parts 51 and 93).

If you have any questions or comments, please contact Mr. Frank Burkett, Senior Planning Specialist, at (614) 280-6838 or frank.burkett@dot.gov.

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding on the West Central Indiana Economic Development District (WCIEDD) 2020-2024 Transportation Improvement Plan (TIP).

The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and recommend that we find the document conforms to applicable air quality conformity requirements. Appropriate consultation and public involvement on the conformity analyses was completed.

Therefore, FHWA and FTA find the WCIEDD's 2020-2024 TIP conforms to air quality conformity rule requirements. If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 / robert.dirks@dot.gov or Alexandria Burns, FTA, at 312-353-3770 / alexandria.burns@dot.gov.
