Mr. Richard J. Marquis, Division Administrator  
FHWA Indiana Division  
575 North Pennsylvania Street, Room 254

Dear Ms. Newland:

The Indiana Department of Transportation requests the projects listed in 2016-2019 STIP Emergency Amendment 16-18, be incorporated into the 2016-2019 Statewide Transportation Improvement Program (STIP).

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at [mmcneil@indot.in.gov](mailto:mmcneil@indot.in.gov).

Sincerely,
