Dear Ms. Kennedy:

We have completed our review of INDOT's Amendment #20-03 to the FY 2020-2024 Indiana Statewide Transportation Improvement Program (STIP) dated July 25, 2019 and revised on August 9, 2019 due to FHWA's comments. INDOT has re-demonstrated fiscal constraint, air quality conformity, where applicable, and provided opportunity for public comment and involvement on Amendment #20-03. FHWA considers this amendment to be in substantial compliance with the applicable requirements as sufficient to support a consistency finding for inclusion into the STIP.

Should you have any questions regarding this approval please contact Joyce Newland at 317-226-5353 or e-mail at [joyce.newland@dot.gov](mailto:joyce.newland@dot.gov).

Sincerely,

For: Mayela Sosa

Ms. Mayela Sosa, Division Administrator  
FHWA Indiana Division  
575 North Pennsylvania Street, Room 254  
Indianapolis, Indiana 46204

Dear Ms. Sosa:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 20-03 to be incorporated into the 2020-2024 Statewide Transportation Improvement Program (STIP).

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

At the time USDOT approved the FY 2020-2024 STIP, INDOT had a balance of \$193,839,054 in funds for "Cost yet to be identified from future needs for FY 2020." The grand total of this amendment is \$19,601,591. The new balance is \$174,237,463.

A draft of this amendment was posted on INDOT's STIP website <http://www.in.gov/indot/STIP> for comments. No comments were given about any project listed.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at [mmcneil@indot.in.gov](mailto:mmcneil@indot.in.gov).

Sincerely,
