Mr. JD Brooks
Deputy Commissioner of Operations
INDOT Operations
100 North Senate Avenue
Indianapolis, IN 46204

Dear Mr. Brooks:

We have completed our review of INDOT's Amendment #22-02 to the FY 2022-2026 Indiana Statewide Transportation Improvement Program (STIP) dated August 29, 2022 and revised on September 15, 2022 due to FHWA's comments. INDOT has re-demonstrated fiscal constraint, air quality conformity, where applicable, and provided opportunity for public comment and involvement on Amendment #22-02. FHWA considers this amendment to be in substantial compliance with the applicable requirements as sufficient to support a consistency finding for the STIP.

FHWA and FTA take formal action, through the development of the Federal Planning Finding (FPF), to evaluate and ensure that the Statewide Transportation Improvement Program (STIP) and MPO Transportation Improvement Programs (TIPs) are developed according to statewide and metropolitan planning processes consistent with 23 U.S.C. 134 and 135, and 49 U.S.C. 5303 and 5304, as well as 23 CFR part 450, 500, and 49 CFR part 613. FHWA and FTA are required under 23 CFR 450.220 (b) to document and issue an FPF in conjunction with the approval of the STIP, or amended STIP. Based on the recently conducted FPF (dated June 17, 2022), FHWA and FTA find that the amended Indiana FY2022-2026 STIP substantially meets the transportation planning requirements and is approving the amended STIP (as recorded in Amendment 22-02) subject to the corrective actions outlined in the FPF. FHWA and FTA will continue to partner with INDOT to ensure the previously developed action plan is implemented to address the corrective actions. If progress is not made in addressing the corrective actions, future amendments to the FY2022-2026 STIP, or adoption of the FY2024-2028 STIP, may not be approved by USDOT.

FHWA only recognizes years 2022-2025 in the STIP. Any projects and/or phases of projects added in years outside of 2022-2025 are considered illustrative, and thus ineligible for federal funding at this time.

Should you have any questions regarding this approval or the associated FPF, please contact Erica Tait at 317-226-7481 or e-mail at erica.tait@dot.gov.

Sincerely,

For: Jermaine R. Hannon
Division Administrator

Mr. Jermaine R. Hannon, Division Administrator
FHWA Indiana Division
575 North Pennsylvania St., Room 254
Indianapolis, IN 46204

Dear Mr. Hannon:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 22-02 to be incorporated into the 2022-2026 Statewide Transportation Improvement Program (STIP). Any projects and/or phases of projects added in years outside of 2022-2025 are considered illustrative, and thus ineligible for federal funding at this time.

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

The total dollar amount of this amendment is \$176,405,722 (for fiscal years 2022-2025), has been verified with FHWA.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Sincerely,

Dear David:

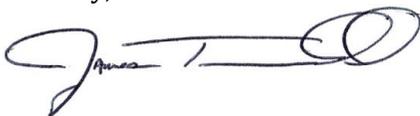

Please amend the FY 2020-2024 and FY 2022-2026 Transportation Improvement Programs (TIP) and the FY 2020-2024 Indiana Statewide Transportation Improvement Program (STIP) to include the attached administrative modifications (#M20-21 and M21-21).

The Michiana Area Council of Governments (MACOG), as the designated Metropolitan Planning Organization (MPO) for the urbanized counties of Elkhart and St. Joseph, and the Rural Planning Organization (RPO) for rural Kosciusko and Marshall Counties in north central Indiana, is hereby submitting modifications to the FY 2020-2024 and FY 2022-2026 TIPs, as well as, the FY 2020-2024 STIP for Intergovernmental Review under the provisions of Executive Order 1271.

We are, therefore, offering our assurance that the document has been developed with and reviewed by the appropriate jurisdictions and governmental agencies within the MACOG planning area. This includes the Indiana Department of Transportation and member jurisdictions and governmental agencies of the MACOG Policy Board.

Thank you for your attention to this matter. Please contact this agency if you need further information.

Sincerely,

James Turnwald

Good morning Carla,

I hope this message finds you well. FHWA has reviewed the information provided and we have a few questions:

Amendments

Des#2100009-What does this project entail? What type of intersection improvement?

Des#2200558-Does this project include any new lanes/added capacity?

Modifications

Des#1600926-The note in the spreadsheet says "Move Phase from FY22 to FY23 **FY20-24 TIP only**-are changes being made to the FY20-24 TIP?

Des#1802051-The note says "Move \$30,062,670 from FY23 to FY27 (out of TIP)-Is this phase/project being removed? Adding or removing projects/project phases to the TIP (in this case, removing the project) should be made as amendments. Also, a change that substantial (\$30+ million) would likely affect fiscal constraint (either INDOT's or the MPO's).

Best regards,

Erica Tait

Good Morning Erica,

I apologize for the delayed response, as several of our team members were out on vacation last week.

Please see my responses in red:

Amendments

Des#210009-What does this project entail? What type of intersection improvement? **This project is to help reduce congestion and crashes. The preferred alternative is to convert the intersection to a Hybrid-Quadrant Roadway intersection (SW quadrant). But other alternatives will be evaluated during the design phase.**

Des#2200558-Does this project include any new lanes/added capacity? **There are no new lanes or added capacity planned for this replacement.**

Modifications

Des#1600926-The note in the spreadsheet says "Move Phase from FY22 to FY23 **FY20-24 TIP only**"-are changes being made to the FY20-24 TIP? **This was processed in May, prior to the STIP being approved. From this point forward, changes will only be made to the FY 22-26 TIP.**

Des#1802051-The note says "Move \$30,062,670 from FY23 to FY27 (out of TIP)-Is this phase/project being removed? Adding or removing projects/project phases to the TIP (in this case, removing the project) should be made as amendments. Also, a change that substantial (\$30+ million) would likely affect fiscal constraint (either INDOT's or the MPO's). **Utility funding (\$500,000) is moving from FY 22 to FY 23 and CN funding (\$30 M) is being moved from FY 23 to FY 27 (out of TIP). Because MACOG groups everything under CN, part of the phase is still in our FY 22-26 TIP, which is why I had processed this as a modifications. But you are correct, this should be processed as an amendment. I will re-process this today.**

Thank you for your comments. Please let me know if you need anything else.

RESOLUTION NO. 18-22
A RESOLUTION ENDORSING AN AMENDMENT TO THE SOUTH BEND
AND ELKHART/GOSHEN FISCAL YEAR (FY) 2022-2026
TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Infrastructure Investment and Jobs Act (IIJA) (Public Law 117-58, also known as the “Bipartisan Infrastructure Law”) designating joint Federal Highway Administration/Federal Transit Administration rules and regulations, under Section 134, Title 23 of the US Code, the act requires the annual preparation of a Transportation Improvement Program by the designated Metropolitan Planning Organization(s) as a part of the transportation planning process in urbanized areas of 50,000 or more population; and

WHEREAS, the Michiana Area Council of Governments (MACOG) being the duly designated Metropolitan Planning Organization for the South Bend and Elkhart/Goshen Urbanized Areas, in cooperation with local governmental units and implementing agencies within the urbanized areas, has prepared a FY 2022-2026 Transportation Improvement Program (TIP) which consist of improvements recommended in the MACOG Region.

WHEREAS, the FY 2022-2026 TIP is consistent with the 2045 Transportation Plan (TP) and its corresponding conformity determination, which uses the MACOG travel demand model, developed with the most recently available socio-economic and other input data to estimate mobile source emissions for the conformity analysis.

WHEREAS, the MACOG Policy Board from time to time receives and amends/modifies its Transportation Improvement Programs.

WHEREAS, upon review of the amendments below, MACOG here within finds that they are consistent with the 2045 TP and its corresponding conformity analysis.

BE IT THEREFORE RESOLVED, that the South Bend and Elkhart/Goshen FY 2022-2026 TIP will be amended to include the following:

RE: Approval of an Administrative Modification to the 2022-2025 IRTIP

INDOT Team,

This is to inform you of the approval of an administrative modification to the 2022-2025 IRTIP. The attachment details the projects included in the modification package.

The revised 2022-2025 IRTIP is available through the MiTIP Public Access Portal on the MPO's website. Should you have any questions or comments please contact me at (317) 327-5137.

Sincerely,

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Indianapolis Metropolitan Planning Organization's (IMPO) planning documents. The Indianapolis Metropolitan Planning Area is within the 9-county Indianapolis air quality conformity area and is comprised of Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties. The need for this new conformity finding stems from a recent amendment to the FY2022-2025 IMPO Transportation Improvement Program (TIP).

Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby Counties are designated as Maintenance for the 1997 Ozone Standard until October 19, 2027.

Appropriate consultation and public involvement on the TIP amendment was completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews and have determined that air quality conformity requirements have been met.

This conformity finding supersedes all previous conformity findings for this MPO. Therefore, FHWA and FTA affirms the following planning documents conform to air quality conformity rule requirements:

Indianapolis MPO 2050 Metropolitan Transportation Plan (including Amendment 1)
Indianapolis MPO 2022-2025 TIP (including the special Amendment dated June 1, 2022)

If you have any questions, please feel free to contact Erica Tait, FHWA, at 317-226-7481 or erica.tait@dot.gov; or Cecilia C. Godfrey, FTA, at 312-705-1268 or cecilia.crenshaw@dot.gov.
