Dear Ms. Quist:

We have completed our review of INDOT's Amendment A24-TTPTIP-01 (Tribal Transportation Program Transportation Improvement Program) to the FY 2024-2028 Indiana Statewide Transportation Improvement Program (STIP) dated February 1, 2024. This amendment is for the:

Tribal Transportation Program Transportation Improvement Program 2023
https://www.in.gov/indot/files/STIP_A24-TTPTIP-01-draft.pdf

FHWA only recognizes years 20224-2027 in the STIP. Any projects and/or phases of projects added in years outside of 2024-2027 are considered illustrative, and thus ineligible for federal funding at this time.

Should you have any questions regarding this approval please contact Erica Tait at 317-226-7481 or e-mail at erica.tait@dot.gov.

Sincerely,

For: Jermaine R. Hannon

Mr. Jermaine R. Hannon, Division Administrator
FHWA Indiana Division

Indianapolis, IN 46204

Dear Mr. Hannon:

The Indiana Department of Transportation requests the projects listed in STIP A24-TTPTIP-01 (Tribal Transportation Program Transportation Improvement Program) to be incorporated into the 2024-2028 Statewide Transportation Improvement Program (STIP). Any projects and/or phases of projects added in years outside of 2024-2028 are considered illustrative, and thus ineligible for federal funding at this time.

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.
