Dear Local Resident, Interested Citizen, and Elected / Local Public Official:

## **Welcome to the Indiana Department of Transportation's (INDOT) Project Open House regarding the Lyford Intersection Improvement Project at S.R. 163 and U.S. 41 in Lyford, Parke County.**

The purpose of this project is to enhance safety and to reduce the frequency and severity of vehicular collisions at the intersection. As part of the project, INDOT will implement geometric and traffic control modifications. The existing, triangular 3-legged type intersection will be reconstructed to a T-intersection with an all-way stop condition. A short left turn lane will be included on the northbound approach. Mailbox turnouts will be modified as part of the project enhance safety.

There are several ways your comments may be presented this evening and following tonight's open house. You may submit comments in the following manner:

1. Complete a comment form and return it to an INDOT representative attending the public hearing. Comment forms are available at the sign-in table and also included in your information packet.
2. E-mail comments to the INDOT Crawfordsville District Office [westcentralindiana@indot.in.gov](mailto:westcentralindiana@indot.in.gov).
3. Mail comments to the INDOT Crawfordsville District Office, 41 West 300 North, Crawfordsville, Indiana 47933
