

FOR IMMEDIATE RELEASE

I-69 Section 5 restrictions for Friday, Sept. 14

BLOOMINGTON, Ind. (September 13, 2018) – Work continues in the I-69 Section 5 work zone. The following restrictions and closures will be in place Friday, September 14:

- The right lane of northbound SR 37 south of the I-69 Section 5 project area will be closed through 3rd Street (SR 48) beginning at 7 a.m. so crews can put down permanent lane markings.
- The left lanes of both northbound and southbound SR 37 from Arlington Road to the Sample Road interchange will be closed for placement of shoulder stone.
- The right lane of southbound SR 37 from Second Street (SR 45) to Fullerton Pike will be closed at 6 a.m. to allow contractors to finish outstanding work items.
- At 3rd Street (SR 48), there will be night time single lane closures on both eastbound and westbound from 7 p.m. to 5 a.m. for work on the traffic signal system.
- The shoulders of the southbound SR 37 ramps at 2nd Street (SR 45) will be restricted from 7 a.m. to 5 p.m. for work on the traffic signal system.
- The left lane of northbound SR 37 will be closed north of the Sample Road interchange for the installation of rumble strips.

Paving on local access roads has begun and will continue over the next two to three weeks, and motorists using those local roads should be aware of paving crews and flaggers. The speed limit throughout the construction zone remains 45 miles per hour, and law enforcement will have a presence daily.
