Northbound access via U-turn at Burma Road crossover

BLOOMINGTON, Ind. (August 28, 2018) – Paving operations continue at the Sample Road interchange, requiring a closure of the northbound SR 37 ramps between 1 and 5 p.m. today. Traffic on northbound SR 37 will not be able to exit at Sample Road during that time.

Motorists on northbound SR 37 wishing to access the Sample Road interchange should make a U-turn at the Burma Road crossover (approximately one mile north of the interchange) and access Sample Road from southbound SR 37.

Access to northbound SR 37 from the Sample Road interchange will also be restricted at this time. Motorists wanting to travel north from Sample Road should take SR 37 south to the SR 46 interchange and return to SR 37 northbound.

All construction activity is weather dependent and the schedule is subject to change.
