

FOR IMMEDIATE RELEASE

NORTHBOUND SR 37 LANE CLOSURE FROM TAPP ROAD TO SR 45

Right lane needed for ramp construction

BLOOMINGTON, Ind. (Oct. 7, 2017) – The Indiana Department of Transportation alerts motorists that beginning Monday, October 9, the right lane of northbound SR 37 will be closed from south of Tapp Road to just south of SR 45. The closure is expected to last approximately four weeks.

While the SR 37 northbound lane is closed, crews will be constructing and paving the new Tapp Road ramp lanes. They will also be cleaning and preparing existing foundations in anticipation of installing new lighting devices and roadway signage.

INDOT urges motorists to be aware of the new traffic pattern, drive safely and follow the posted 45 mph speed limit during the closure.
