Consumer News... For You!

ELECTRIC CUSTOMER SAVINGS

Major settlements the OUCC has negotiated with Duke Energy, NIPSCO, & additional parties will reduce proposed rate increases by more than a half-billion dollars. The IURC has approved the agreement on Duke Energy's 7-year [infrastructure plan](#), reducing upcoming rate increases by nearly \$400 million from the utility's original request. Also, the Commission recently approved agreements on NIPSCO's electric [rate case](#) & 7-year [infrastructure plan](#), providing consumers with more than \$130 million in benefits.

JULY 2016

OUR MISSION

To represent all Indiana consumers to ensure quality, reliable utility services at the most reasonable prices possible through dedicated advocacy, consumer education, and creative problem solving.

ONLY WEEKS TO GO...

Are you in the 317 area code? Are you making local phone calls with 10 digits? If not, [now's the time](#) to adjust. 10-digit dialing will be required in mid-September.

STAY COOL!

It's the hottest time of the year, & that means higher electric bills along with more strain on the power grid. We have some [simple reminders](#) on how to save.

DID YOU KNOW?

The OUCC's website has a page dedicated to each major [electric](#), [natural gas](#), [water](#), & [sewer](#) utility in Indiana, with an overview of the utility's rates.

JULY = SMART IRRIGATION MONTH

It's rained enough lately that most of us haven't needed to water the lawn. But summer is far from over. The OUCC joins the irrigation industry, water utilities, & more stakeholders in observing Smart Irrigation Month, & pointing out the benefits of [efficient water use](#).
