DISCUSSION

INSPECT Report – Kara Slusser, Inspect Director:

Participating Members: Donna Wall, R.Ph., Del Fanning, R.Ph., Winnie Landis, R.Ph., Mark Smosna, R.Ph., Matt Balla, R.Ph., Steven Anderson, R.Ph.

Educational Outreach:

- In preparation for Community Health Network's go-live in March, Kara has been having meetings with their Indianapolis staff to discuss training guides for physicians who will be using the integrated solution to access INSPECT reports.

Legislative Update:

- The Senate Committee on Health and Provider Services met on January 17, 2018. SB 221 was on the agenda and Kara was able to testify in support of the bill; it will require physicians to register for an INSPECT account and obtain their patient's prescription history in the database before prescribing an opioid or benzodiazepine. The bill passed out of Committee 10-0.

NABP:

- North Carolina and Oregon are now actively participating in the NABP's PMP InterConnect.

AWARxE Update:

- Our IT team has completed the Virtual Private Network (VPN) connection, so we will soon have access to our data for reporting purposes again. There were a number of records that were rejected from the cloud during our post-live data migration. We'll be working to identify the issues, perform data clean-up and get these records moved onto our server.
- This week, we'll be editing the INSPECT integration initiative page to reflect the new integration request process. The request form will now be submitted automatically on line, rather than the requestor downloading the form and emailing it to the INSPECT team. Once the request is submitted, the system will email a copy of the end user license agreement to the requestor.

INSPECT Integration Initiative:

- There has been great feedback on the integration from Community Health Systems in Munster.

- The facilities that are currently in the process of completing their integration are:
 - Franciscan Alliance
 - Community Health Network
 - Eskenazi Health
 - Parkview Health System
 - IU Health Arnett Pharmacy
 - IU Health Methodist Hospitals
 - Union Hospital
 - St. Joseph Health System
